OF CLAIMS AND INTERESTS**

Pursuant to section 1123 of the Bankruptcy Code, the Debtor designates the following Classes of Claims and Interests.

ARTICLE IV
**PROVISIONS FOR SATISFACTION
OF CLASSIFIED CLAIMS**

The Claims as classified in Article III hereof shall be satisfied in the manner set forth in this Article IV. The treatment of, and the consideration to be received by Entities holding Allowed Claims against the Debtor pursuant to this Plan shall be in full settlement, release, and discharge of their respective Allowed Claims against the Debtor.

4.1. Class 1 -- Priority Claims Other Than Priority Tax Claims. Each person or Entity holding a Class 1 Claim shall be paid the Allowed Amount of such Claim in cash, in full, on the latest of: (i) the Effective Date; (ii) the date such Claim is allowed by Final Order; or (iii) the date such payment is due under applicable law. Each Contested Priority Claim shall become an Allowed Priority Claim only upon entry of, and only to the extent such claim is allowed by, a Final Order. If any Allowed Priority Claims are not paid in cash in full on the latest of (i) the Effective Date; (ii) the date a Contested Priority Claim is Allowed in whole or in part by Final

Order; or (iii) the date such payment is due under applicable law, then the unpaid portion of such Allowed Priority Claims shall bear interest from the Effective Date until the date of payment at the Legal Rate.

4.2. Class 2 -- Secured Claim of Pinnacle Bank. This Class consists of the Secured Claim of Pinnacle Bank in the amount agreed to by Debtor and the Class 2 Claimant, or if the Debtor and Pinnacle Bank cannot agree, as determined by a Final Order of the Court. Debtor shall make a payment of \$500,000.00 on the Effective Date for application to the Class 2 Allowed Secured Claim. The remainder of the Class 2 Allowed Secured Claim shall bear interest at the rate of 4.25% per annum and shall be satisfied by payments, beginning on the first day of the first month after the Effective Date and on the first day of each month thereafter, in the amount required to amortize the debt in full over a period of ten (10) years from the Effective Date, with the entire outstanding balance becoming due on the first day of the forty-second month after anniversary of the Effective Date.

As security, the Class 2 Claimant shall retain all Liens held as of the Petition Date. Debtor may prepay all or some of the amounts due without penalty. Upon payment in full of the Class 2 Allowed Secured Claim, all Liens shall be released by Pinnacle Bank. Debtor and Pinnacle Bank shall execute on the Effective Date new loan documents mutually acceptable to both parties containing the financial terms set forth in this Plan. In the event, Pinnacle Bank and Debtor cannot agree regarding the terms of any such documents, then the Bankruptcy Court shall resolve the disagreement at a hearing to be held after proper notice.

4.3. Class 3 - Other Secured Claims. The only claims known to be in this Class are those filed by Ally Bank (Claim Nos. 2 and 3). With respect to the two claims filed by Ally Bank, these claims shall be allowed in the principal amount totaling \$52,845.00. These Allowed Secured Claims shall bear interest at the rate of 5.0% per annum and shall be satisfied by sixty (60) monthly payments in the amount of \$997.25 each, with the first payment beginning on the earlier of the Effective Date or the first day of the first month following entry of a Final Order authorizing these payments. Ally Bank shall retain all liens securing its claims.

With respect to any other secured creditors in this Class 3, on the Effective Date, each holder of an Allowed Other Secured Claim shall, in full and complete settlement and satisfaction of such Claim, at the sole option of the Debtor, (i) have such Claim be reinstated and rendered unimpaired in accordance with section 1124 of the Bankruptcy Code; (ii) receive Cash in an amount equal to such Allowed Other Secured Claim, including such interest as is required to be paid pursuant to section 506(b) of the Bankruptcy Code; (iii) receive the Collateral securing such Allowed Other Secured Claim and such Cash interest as is required to be paid pursuant to section 506(b) of the Bankruptcy Code; or (iv) have such Allowed Claim paid by monthly payments commencing on the Effective Date and continuing each month thereafter in the amount required to pay the principal amount owed together with interest thereon at a rate of five percent (5.0%) per annum over a ten year period. Class 3 is impaired under the Plan.

4.4. Class 4 -- Claims of McKesson. This Class consists of the Claims asserted by McKesson. Class 4 Claims shall be satisfied as follows: (i) Debtor shall make a payment of Three Hundred Thousand Dollars (\$300,000.00) on the Effective Date; (ii) the Reorganized

Debtor shall pay an additional minimum principal amount of Three Million Two Hundred Thousand Dollars (\$3,200,000.00), together with interest on that amount at the rate of 5% per annum; and (iii) Debtor shall pay up to an additional Ten Million Dollars (\$10,000,000.00) from the net proceeds of any sale of all or substantially all of the Reorganized Debtor's assets or equity interests occurring prior to the seventh anniversary of the Effective Date, the calculation of which is set forth below. Debtor will make payments on the \$3,200,000.00 debt on a quarterly basis, with the first such payment being due ninety (90) days after the Effective Date. The amount of each quarterly payment shall be the principal and interest payment that would be due if the entire \$3,200,000.00 balance were to be amortized over a ten-year period. Payments in this amount will continue to be due each quarter thereafter until the seventh anniversary of the Effective Date, on which date the entire amount remaining owed will be due and payable in full. The \$3,200,000.00 debt may be prepaid in whole or in part at any time without penalty, and any partial prepayments made shall reduce and be a credit against any mandatory payments coming due after the time of the prepayment. In the event of a sale of all or substantially all of the Reorganized Debtor's assets or equity interests, Debtor shall pay to McKesson all of the net proceeds from the sale up to One Million Dollars (\$1,000,000.00). In the event there are net proceeds from the sale in excess of \$1,000,000.00, then McKesson shall receive fifty percent (50%) of those proceeds until it has received up to a maximum total of \$10,000,000.00 from the net sale proceeds, including in the calculation the first million dollars of net sale proceeds received by McKesson. Upon receipt of these sums, McKesson shall release the security interest granted to it below. For clarity, net proceeds includes, but is not limited to, proceeds remaining after payment of all mandatory amounts due under the Plan, including without limitation the amounts owed to the Class 2 Claimant. Any sale contemplated under this section shall be conducted in a manner to obtain the highest sale price and shall be free of any provisions solely benefitting insiders of the Reorganized Debtor. Any such sale that includes continued employment by insiders of the Reorganized Debtor or retained ownership of any insiders of the Reorganized Debtor shall be subject to approval and consent of McKesson which consent shall not be unreasonably withheld, including without limitation situations where insiders are employed on market terms or receive reasonable compensation for non-compete provisions.

In order to secure the Reorganized Debtor's obligations to McKesson set forth above, the Debtor and Reorganized Debtor shall grant McKesson a security interest in its accounts receivable, inventory, equipment, contract rights and general intangibles. This security interest shall be subordinate to the security interest granted to and held by the Class 2 Claimant Pinnacle Bank, and McKesson shall take no action to enforce its security interest for so long as any portion of the obligation owed to the Class 2 Claimant remains outstanding. In exchange for the granting of this security interest, McKesson agrees that the Reorganized Debtor may refinance the debt owed to the Class 2 Claimant and obtain additional secured loans that will have priority over the security interests of McKesson, provided that the principal amount of such senior secured loans (inclusive of the amount owed to the Class 2 Claimant) shall never exceed Four Million Dollars (\$4,000,000.00). Kevin Hartman, the Reorganizer Debtor's principal, shall also execute a personal guaranty of the Reorganized Debtor's obligations set forth above.

4.5. Class 5 -- Unsecured Claims other than Class 4. This Class consists of all Allowed Unsecured Claims against the Debtor, other than those in Class 4. Class 5 Claims shall be satisfied by payments to each Class 5 Claimant holding an Allowed Claim totaling forty

percent (40%) of its Allowed Claim, payable in two equal installments. The first payment shall be made on the Effective Date, and the second payment shall be made four (4) months after the Effective Date. The total amount payable to Class 5 Claimants may be prepaid in whole or in part at any time without penalty, and any partial prepayments made shall reduce and be a credit against any mandatory payments coming due after the time of the prepayment. Each of the Class 5 Claimants shall be entitled to payment only after its Claims become Allowed Claims pursuant to agreement of the Debtor or a Final Order. Upon entry of a Final Order creating an Allowed Claim from a Contested Claim, that Class 5 Claimant shall be paid promptly the total amount of installment payments that would have been due on its Claims if it had been Allowed as of the Effective Date.

4.6. Class 6 - Ownership Interests in NPS. This Class consists of the Ownership Interests in NPS. In order to retain his Ownership Interests, Kevin Hartman, or other persons approved by him, shall contribute to Debtor on or before the Effective Date at least \$250,000.00.

Post-confirmation draws to Kevin Hartman shall be limited to \$360,000 per year plus benefits. In addition, to the extent Kevin Hartman owes taxes on the earnings of the Reorganized Debtor that are not offset by loss carryforwards or other personal losses, then Kevin Hartman may use funds from the Reorganized Debtor to pay those taxes. Trey Hartman is expected to remain as CFO, with a salary of \$260,000 per year plus benefits. Trey Hartman's salary shall not be increased by more than three percent (3.0%) per year.

ARTICLE V

DESIGNATION OF THE CLASSES OF CLAIMS IMPAIRED UNDER THIS PLAN

5.1. Voting Classes. For purposes of Plan solicitation, Classes 1, 2, 3, 4 and 5 are Impaired, Non-Insider Classes and, therefore, are entitled to cast ballots on this Plan.

5.2. Non-Voting Classes. For purposes of Plan solicitation, Class 6 is Impaired, but otherwise ineligible to vote because it consists of Insiders.

ARTICLE VI

MEANS FOR IMPLEMENTATION OF THE PLAN

6.1. Payments due on the Effective Date and Thereafter. The Debtor has made changes to its business since the Petition Date that are expected to generate cash needed on the Effective Date of the Plan and to generate cash flow sufficient to make the payments due under the Plan on an on-going basis. Cure costs due under the Debtor's contracts with 340B program providers will be paid by offset from the post-petition deposits held by them and, with respect to East Tennessee State University, by additional payments over time. The new value contribution to be made by Kevin Hartman or his designee is also required in order to make the payments due under the Plan on the Effective Date and to provide the Reorganized Debtor with adequate working capital.

6.2. Debtor's Obligation to Close. Debtor will have no obligation to proceed with Consummation of the Plan unless the Closing Conditions are satisfied. If Debtor elects not to

proceed with Consummation the Plan, it shall File with the Court a notice of the election and this Chapter 11 Cases shall proceed as if no plan of reorganization had been filed by Debtor prior to that date.

6.3. Causes of Action. Debtor will be responsible for evaluating, funding and pursuing any or none of the Causes of Action based on its reasonable business judgment and shall fund such amounts as the Debtor, in its sole and absolute discretion, shall deem appropriate and reasonable.

6.4. Authority for Settlement of Causes of Action. After the Effective Date, Debtor shall, in its sole and absolute discretion, be authorized to compromise and settle any of the Causes of Action, without Court approval or notice to any party, at any time, and for any consideration that Debtor believes to be in its best interest (and not necessarily in the best interest of the Creditors) including, inter alia, the right to permit the Debtor to accept zero-cash or non-cash benefits.

6.5. Recovery from Causes of Action. Any recovery from any Cause of Action, including Avoidance Actions, either from litigation or settlement, will be used by the Reorganized Debtor for operations and/or to fund the payments due under the Plan.

ARTICLE VII

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

7.1. General Assumption of Executory Contracts. All leases of real or personal property and executory contracts to which the Debtor is a party that have not, as of ten (10) days following the Effective Date, been specifically rejected shall be deemed contracts that Debtor intends to assume, provided Debtor agrees to pay any Allowed Cure Claim. (See Exhibit B to the Amended Disclosure Statement for non-exhaustive lists of executory contracts and unexpired leases.) Should Debtor choose to assume the leases or contracts identified on Exhibit B to the Amended Disclosure Statement, Debtor asserts the Allowed Cure Claim should be the amount stated on that Exhibit B. For any lease or contract not identified on Exhibit B to the Amended Disclosure Statement, Debtor asserts that no cure is owed or required. Any party to an unexpired lease or executory contract that is assumed pursuant to this provision that asserts that Debtor has defaulted under that contract and whose cure amount is not stated on Exhibit B or who disagrees with the proposed cure amount on Exhibit B shall be required to File with the Court an application for allowance and payment of Cure Claim, identifying the amount allegedly due to cure any such defaults in accordance with section 365(b)(1)(A) of the Code. Any such application must be filed within 45 days from the Effective Date. The failure to file timely the application as required under this section 7.1 of the Plan shall result in the Cure Claim being forever barred and discharged; the cure amount related to the executory contract shall be deemed to be the greater of zero or the amount proposed by the Debtor on Exhibit B, if any; and the related executory contract shall be deemed assumed as of the Effective Date. All Cure Claims asserted pursuant to this section 7.1 of the Plan to which no objection is Filed or to which an objection is Filed and ruled upon by a Final Order of the Court shall become Allowed Cure Claims and the underlying lease or contract shall be assumed, unless within 15 days after

Debtor's objection deadline, if no objection is filed, or within 15 days after entry of the Final Order allowing the Cure Claim, unless Debtor files a Notice of Rejection Pursuant to Plan. All Allowed Cure Claims shall be paid promptly. The other party to any rejected contract shall be entitled to file a Claim for damages arising from the rejection, if any.

7.2. Contracts with 340B Program Providers. The Debtor made deposits after the Petition Date with each of the 340B program providers with whom it has a contract. Under the Plan, upon assumption of any of these contracts, the program providers will be authorized to set off this deposit against the amount owed under the contract as of the Petition Date. The Debtor asserts that these offsets will be sufficient to pay the Cure Claim of all providers other than perhaps East Tennessee State University. To the extent there remains any unpaid Cure Claim after application of these deposits, then the remaining payments due to satisfy the Cure Claim will be paid in monthly installments over a seven year period beginning on the Effective Date. Interest on the unpaid balance will be paid from the Effective Date at the rate of 4.25%. The debt owed to any provider may be prepaid in whole or in part at any time without penalty, and any partial prepayments made shall reduce and be a credit against any mandatory payments coming due after the time of the prepayment.

7.3. Rejection of Executory Contracts Generally. In addition to filing a separate motion or notice of its intent to reject one or more leases or executory contracts, Debtor may reject as of the Effective Date executory contracts or unexpired leases by filing a Notice of Rejection Pursuant to Plan with the Bankruptcy Court within ten (10) days after the Effective Date or as provided in section 7.1, including in such Notice identification of the particular rejected leases or contracts.

7.4. Claims for Damages. Each person who is a party to an executory contract or release rejected pursuant to section 7.1 or 7.2 of the Plan shall be entitled to File, not later than thirty (30) days after the date on which the contract is rejected, a Claim for damages alleged to arise from the rejection of the executory contract or lease to which such person is a party. Any such Claims that ultimately become Allowed Claims shall be treated as Class 5 Unsecured Claims.

ARTICLE VIII

PROVISIONS FOR THE PAYMENT, SETTLEMENT, AND ADJUSTMENT OF CLAIMS

8.1. No Distributions Pending Allowance or Estimation of Claims. No payments or distributions shall be made with respect to all or any portion of a Contested Claim unless and until such Claim becomes an Allowed Claim as determined by Final Order.

8.2. Deadline for Objections to Claims. Debtor or any other party in interest may file with the Bankruptcy Court, within 120 days after the Effective Date, which date may be extended by Bankruptcy Court order, a written objection to the allowance or classification of any Claim in any Class, which objection shall be served upon the Claimant and any other known parties in interest. The failure to object to or to examine any Claim for the purposes of voting on

this Plan shall not be deemed a waiver of such party's right to object to, or re-examine, the Claim in whole or in part within the above-described time period.

8.3. Automatically Disallowed Claims. With respect to any Claim for which the Debtor has insurance coverage, the Claim will be treated as an Allowed Claim only to the extent that the Holder of the Claim can establish that such Claim is not recoverable to any extent under the Debtor's insurance. Unless the Holder obtains a Final Order establishing that the Claim is not recoverable to any extent under the Debtor's insurance, such Claim is automatically disallowed and will be entitled to no distribution.

8.4. Distribution Address and Mailing Method. Any distribution or payment to a Creditor shall be sent by first class mail to the Creditor's address indicated on the proof of claim filed by that Creditor in the Case or, if no proof of claim has been filed, to that Creditor's most recent address indicated on the Debtor's Schedules or known to Debtor. If a Creditor holds an Allowed Claim by virtue of a transfer of such Claim pursuant to Rule 3001 of the Federal Rules of Bankruptcy Procedure, then distributions to the holder of such Claim shall be sent to the address set forth in evidence of the transfer filed with the Bankruptcy Court. Creditors may change the address to which distributions are sent through amendment of their proof of claim or written notice delivered to Debtor's counsel. **Creditors are responsible for keeping Debtor informed of their current address for receipt of distributions or other payments under the Plan.**

8.5. Unclaimed Property/Forfeit Distributions. If any distribution remains unclaimed and/or uncashed for a period of ninety (90) days after it is sent by Debtor, then the Creditor to whom such distribution was sent will be deemed to have forfeited the distribution and all future distributions, and such person's Claim shall no longer be deemed to be Allowed, but rather, such Claim shall be deemed disallowed and expunged for all purposes, and such person shall be deemed to have no further Claim in respect of such distribution and shall not participate in any further distributions under this Plan. Likewise, if any Creditor's distribution is returned as undeliverable, no further distributions to such Creditor shall be made and such Creditor shall be deemed to have forfeited any and all further distributions. Any undeliverable or forfeit distribution shall be returned to the Debtor to be used in accordance with the terms of this Plan.

8.6. Precluded Distributions. No distribution shall be made in violation of Bankruptcy Code § 502(d) (to an Entity or transferee liable for recoverable property for an avoidable transfer). Debtor shall notify each affected Creditor of any contention that Bankruptcy Code § 502(d) prohibits any distribution to such Creditor. If such notice is given, the Claim held by such creditor will be treated as a Disputed Claim hereunder.

8.7. Treatment of Contingent or Unliquidated Claims. Until such time as a contingent Claim becomes fixed and Allowed, such Claim shall be treated as a Contested Claim for purposes related to voting, allowance, and distributions under this Plan. Upon request by Debtor or any other party in interest, the Bankruptcy Court shall, in a summary proceeding for each such contingent Claim or unliquidated Claim, by estimation determine the allowance of each such contingent or unliquidated Claim for purposes of voting on this Plan.

8.8. Payment Dates. Whenever any payment or distribution to be made under the Plan shall be due on a day other than a Business Day, such payment or distribution shall instead be made, without interest, on the next business day.

8.9. Final Distribution. The last distribution required by the Plan to be made to any particular Class of Creditors shall be the Final Distribution.

8.10. Nominal Distributions. With respect to any distribution prior to the Final Distribution, if the Holder of an Allowed Claim would receive less than \$50.00, the Debtor may choose not to distribute such lesser amount to such Holder, but may instead defer the distribution thereof until the cumulative amount to be distributed to such Holder at any subsequent distribution is \$50.00 or more. No interest on any such deferred amount shall be paid to such Holder. If the Final Distribution to the Holder of an Allowed Claim would be less than \$25.00, the Debtor is not required to make such distribution, and such distribution is deemed waived.

ARTICLE IX

RETENTION AND PURSUIT OF CAUSES OF ACTION

9.1. Preservation of Claims and Causes of Action. Debtor retains and reserves all Causes of Action, which include Avoidance Actions, for pursuit, settlement or abandonment by Debtor post-confirmation and after the Effective Date. It is the intent of the Debtor that this reservation of claims shall be as broad as permitted by applicable law and shall include all claims, whether or not disclosed in the Debtor's schedules or the Amended Disclosure Statement.

Unless an Avoidance Action or other Cause of Action against a Creditor or other person or Entity is expressly waived, relinquished, released, compromised or settled in the Plan or any Final Order, Debtor expressly reserves such Avoidance Action or Cause of Action for later adjudication (including, without limitation, Avoidance Actions and Causes of Actions not specifically identified or of which Debtor may presently be unaware or which may arise or exist by reason of additional facts or circumstances unknown to Debtor at this time or facts or circumstances which may change or be different from those which Debtor now believes to exist) and, therefore, no preclusion doctrine, including, without limitation, the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, waiver, estoppel (judicial, equitable or otherwise) or laches shall apply to such Avoidance Action or Cause of Action upon or after the Confirmation or consummation of the Plan based on the Amended Disclosure Statement, the Plan or the Confirmation Order, except where such Avoidance Action or Cause of Action has been expressly released in the Plan or other Final Order. In addition, Debtor expressly reserves the right pursuant to the Bankruptcy Code to assert or adopt as a defense any claims in any lawsuit in which the Debtor is a defendant or an interested party, irrespective of whether a Cause of Action has been commenced based upon such claim.

Except as otherwise provided in the Plan or Confirmation Order, any person to whom the Debtor has incurred an obligation (whether on account of services, purchase or sale of goods or otherwise), or who has received services from the Debtor or a transfer of money or property of the Debtor, or who has transacted business with the Debtor, or leased equipment or property

from the Debtor should assume that such obligation, transfer, or transaction will be reviewed by Debtor subsequent to the Effective Date and will, if appropriate, be the subject of a Cause of Action after the Effective Date, whether or not (i) such person has filed a proof of Claim in this Chapter 11 Case; (ii) such person's proof of Claim has been objected to by Debtor; (iii) such person's Claim was included in Debtor's Schedules; or (iv) such person's scheduled Claim has been objected to by Debtor or has been identified by Debtor as disputed, contingent, or unliquidated. Except as expressly provided in the Plan, the Confirmation Order shall not bar Debtor by *res judicata*, collateral estoppel or otherwise from collecting, prosecuting or defending any matter, Avoidance Action or Cause of Action.

The Plan also retains and reserves for pursuit by Debtor all Avoidance Actions arising under Chapter 5 of the Bankruptcy Code. Known Avoidance Actions include preference claims pursuant to section 547, claims for turnover of funds payable to the estate, claims for avoidance of prepetition overpayments or improper payments, including as fraudulent transfers pursuant to section 548, and claims for avoidance of post-petition overpayments or other unauthorized post-petition transfers pursuant to section 549 of the Bankruptcy Code. Debtor shall have the widest possible latitude in deciding whether or not to pursue any possible Cause of Action, including without limitation any preference or other Avoidance Action.

All creditors identified in Questions 3 and 4 to Debtor's Statement of Financial Affairs, filed at Docket No. 57 in this Chapter 11 Case, which includes all creditors receiving payments from Debtor in the 90 days preceding the Petition Date and insiders receiving payments in the year preceding the Petition Date that aggregated at least \$6,425, may be the defendant of an Avoidance Action or other Cause of Action, and Debtor reserves and retains the right to pursue any and all such claims after the Confirmation Date. These identified claims are in no way intended to be an exhaustive list, and Debtor may add to or amend the identified claims after the Confirmation Date and reserves its right to do so.

Each creditor and party in interest is advised to review closely the Plan, the Amended Disclosure Statement, and Debtor's filed Schedules and Statement of Financial Affairs to determine whether any Cause of Action or Avoidance Action may be pursued against it. Avoidance Actions to recover preferences pursuant to section 547 of the Bankruptcy Code may exist against every person who received a payment from Debtor within ninety (90) days prior to the Petition Date. The failure to list or expressly identify in the Plan or the Amended Disclosure Statement any potential or existing Avoidance Action or Cause of Action is not intended to limit the rights of Debtor to pursue any Avoidance Action or Cause of Action.

Without limiting the foregoing, Debtor also retains and reserves the following types of Causes of Action: (i) collection of accounts receivable; (ii) collection of loans receivable; and (iii) release of excess cash reserves by insurance companies and release of any other deposits.

9.2. Pursuit and Settlement of Causes of Action. Debtor retains all rights to commence and pursue, as appropriate, any and all Causes of Action and Avoidance Actions, whether arising before or after the Petition Date, in any court or other tribunal including, without limitation, in an adversary proceeding filed in this Chapter 11 Case. Debtor has broad discretion to pursue, settle or abandon Causes of Action and Avoidance Actions; however, the Debtor shall

not be required to pursue Causes of Action or Avoidance Actions and may in its sole discretion determine not to pursue any Causes of Action or Avoidance Action. After the Effective Date, Debtor shall have the exclusive right, authority, and discretion to institute, prosecute, abandon, settle, or compromise any and all such Causes of Action and Avoidance Actions without the consent or approval of any third party and without any further order of Court. Any settlement may be for any consideration that Debtor believes to be in its best interest (and not necessarily in the best interest of the creditors) including, inter alia, the right to permit Debtor to accept zero-cash or non-cash benefits. Any creditor determined to have received a transfer that is voidable pursuant to sections 544, 547, 548, 549, and/or 550 of the Bankruptcy Code or any other applicable law shall be required to remit to Debtor the determined amount of the avoided transfer prior to receiving any distribution under the Plan.

ARTICLE X

EFFECT OF CONFIRMATION, DISCHARGE, AND INJUNCTION

10.1. Vesting of Property. Except as otherwise expressly provided in the Plan, Confirmation of the Plan shall vest all of the property of the Debtor's Estate into Debtor.

10.2. Property Free and Clear. Except as otherwise provided in the Plan, all property dealt with by the Plan shall be free and clear of all claims, Liens and interests of any party as of the Confirmation of the Plan. This Plan will evidence the release of any and all Liens or encumbrances against all property dealt with by the Plan, unless such Lien or encumbrance is specifically retained in the Plan.

10.3. Legal Binding Effect. The provisions of this Plan shall bind all Claimants, whether or not they accept this Plan or whether or not their Claim is impaired.

10.4. Effect on Third Parties. Nothing contained in the Plan or in the documents to be executed in connection with the Plan shall affect any Creditor's or party in interest's rights against any third party, except as otherwise expressly provided in this Plan and except that any Creditor or party in interest may only recover from any third-party guarantor or co-obligor the amount owed to it in excess of the amount to be paid on the underlying obligation pursuant to the Plan.

10.5. Release of Claims. The consideration to be distributed under the Plan shall be in exchange for, and in complete satisfaction and release of, all Claims against Debtor or any of its assets or properties, including without limitation any Claim accruing after the Petition Date and prior to the Effective Date.

10.6. Permanent Injunction. Except as otherwise expressly provided in, or permitted under, this Plan, the Confirmation Order shall provide, among other things, that all Creditors and persons who have held, hold or may hold Claims that existed prior to the Effective Date, are permanently enjoined on and after the Effective Date against the: (i) commencement or continuation of any judicial, administrative, or other action or proceeding against the Debtor or any of its assets or owned entities on account of Claims against Debtor, or on account of claims released pursuant to section 10.5 of the Plan; (ii) enforcement, attachment, collection or recovery by any manner or means of any judgment, award, decree, or order against the Debtor or any

assets or property of same; or (iii) creation, perfection or enforcement of any encumbrance of any kind against the Debtor arising from a Claim. This provision does not enjoin the prosecution of any claims that arise on or after the Effective Date nor does it enjoin the determination in the Bankruptcy Court of the Allowed Amount of any Claims that arose prior to the Effective Date. Parties asserting entitlement to payment of Administrative Expenses incurred Prior to the Confirmation Date and Holders of Claims shall be permanently enjoined from asserting any Claim against the Debtor or its Retained Assets based upon any act or omission, transaction or other activity that occurred prior to the Confirmation Date, except as otherwise provided in the Plan, whether or not a proof of claim or interest was filed and whether or not such Claim or Interest is allowed under section 502 of the Bankruptcy Code.

10.7. Exculpation. Except as otherwise provided in the Plan or Confirmation Order, the Debtor, its officers, members, and all its professionals shall neither have nor incur any liability to any Entity for any act taken or omitted to be taken (exclusive of an act constituting fraud, gross negligence or intentional misconduct) in connection with or related to this Chapter 11 Case, including without limitation actions related to the formulation, preparation, dissemination, implementation, administration, Confirmation or consummation of the Plan, the Amended Disclosure Statement or any contract, instrument, release or other agreement or document created or entered into in connection with the Plan. Notwithstanding anything herein to the contrary, neither this Plan nor the Confirmation Order affects any claims or causes of action against current or former officers, members or employees of the Debtor arising prior to or as of the Petition Date under 11 U.S.C. §§ 544, 547, 548, 549 or 550.

ARTICLE XI **MISCELLANEOUS PROVISIONS**

11.1. Post-Confirmation Security Interests. Secured Classes 2 and 3 shall retain their security interests without the need for execution of new security agreements or financing statements, and as of the Confirmation Date, existing security and other agreements between Debtor and creditors holding claims in Classes 2 and 3 shall be of no force or effect, and the terms of the Plan shall supersede any such agreements and shall control the lending relationship between Debtor and its lenders. Notwithstanding this provision, Debtor shall have the option of proposing form documents, which shall be provided to Classes 2 and 3 not less than 7 days prior to the deadline for objections to confirmation of the Plan. Any Class 2 and 3 creditor that fails to notify Debtor's counsel of objections to the proposed security documents by no later than the date for objections to confirmation of the Plan shall be deemed to have agreed to and executed the documents, and the terms and conditions of the proposed documents shall control. If the parties cannot agree on the terms of the security documents, then the determination shall be made by the Court. Should Debtor choose not to exercise this option, the terms of the Plan shall control the lending relationship between Reorganized Debtor and the lenders, provided however that all properly perfected pre-petition security interests shall continue to be valid in accordance with applicable non-bankruptcy law.

11.2. Request for Relief under Section 1129(b). In the event any Impaired Class of Claims shall fail to accept this Plan in accordance with section 1129(a) of the Bankruptcy Code,

Debtor requests the Bankruptcy Court to confirm this Plan in accordance with the provisions of section 1129(b) of the Bankruptcy Code.

11.3. Security Deposits. To the extent Debtor has posted security deposits (with utilities or otherwise) prepetition, those amounts may be set off against Allowed Claims only upon the written consent of Debtor, as set forth in this Plan or upon entry of a Final Order authorizing such offset. To the extent Debtor has posted security deposits (with utilities or otherwise) Post-Petition, the deposit shall be returned to Debtor or otherwise applied as directed by Debtor upon its request or as set forth in the Plan.

11.4. Quarterly Fees. All fees payable under 28 U.S.C. § 1930, for quarters ending prior to the entry of the Final Decree shall be paid in full by the Reorganized Debtor.

11.5. Confirmation Order and Plan Control. To the extent the Confirmation Order and/or the Plan is inconsistent with the Amended Disclosure Statement, any other agreement entered into between the Debtor and any third party, the Plan controls the Amended Disclosure Statement and any such agreements and the Confirmation Order (and any other Orders of the Court) shall be construed together and consistent with the terms of the Plan.

11.6. Consent to Jurisdiction. By accepting any distribution or payment under or in connection with the Plan, by filing any Proof of Claim, by filing any Cure Claim or objection to the assumption or assignment of any assumed contract, by voting on the Plan, or by entering an appearance in the Case, all Creditors and other parties in interest have consented, and will be deemed to have expressly consented to the jurisdiction of the Bankruptcy Court for all purposes with respect to any and all matters relating to, arising under or in connection with the Plan or the Case, including the matters and purposes set forth in the Plan.

11.7. Post-Confirmation Notice. After the Confirmation Date, no Creditor or other party-in-interest shall be entitled to general notice of pleadings filed in the Chapter 11 Case or other notices required by the Bankruptcy Code or Bankruptcy Rules, unless such party already receives notice through the Court's CM/ECF system or such party requests post-confirmation notice by filing a request with the Court and serving same on Debtor's counsel. All pre-Confirmation requests for notice and orders requiring or limiting notice shall have no effect post-Confirmation, except with regard to continued service through the Court's CM/ECF system.

11.8. Case Closing. Debtor shall be responsible for preparing and filing any required motion to close the Chapter 11 Case. Debtor intends to seek closure of its Chapter 11 Case as soon as possible after the Effective Date, and this Chapter 11 Case may be closed notwithstanding the pendency of any claims objections, other contested motions, Causes of Action or Avoidance Actions, over which the Court shall retain jurisdiction.

11.9. Destruction of Records. After the Effective Date, Debtor shall have the right to destroy or cause to be destroyed records that it determines to no longer be needed. Any objection to the destruction of such records must be raised as an objection to confirmation of the Plan or shall be deemed to be waived.

11.10. Headings. All heading utilized in this Plan for convenience and reference only, and shall not constitute a part of this Plan for any other purpose.

11.11. Due Authorization. Each and every Claimant who elects to participate in the distributions provided for herein warrants that such Claimant is authorized to accept, in consideration of such Claim against the Debtor, the distributions provided for in this Plan and that there are not outstanding commitments, agreements, or understandings, expressed or implied, that may or can in any way defeat or modify the rights conveyed or obligations undertaken by such Claimant under this Plan.

11.12. Further Assurances and Authorizations. Debtor, if and to the extent necessary, shall seek such orders, judgments, injunctions, and rulings that may be required to carry out further the intentions and purposes, and to give full effect to the provisions, of this Plan. All terms and provisions of this Plan shall be construed in favor of the Debtor.

11.13. Additional Acts or Actions. Debtor may, but shall not be obligated to, take any action or commit any act that they determine to be necessary to facilitate the consummation, implementation, effectuation and execution of this Plan.

11.14. Applicable Law. Except to the extent that the Bankruptcy Code or other federal law is applicable, the rights, duties and obligations arising under this Plan shall be governed by and construed and enforced in accordance with the internal laws of the State of Tennessee without reference to the laws of other jurisdictions.

11.15. No Interest. Except as expressly provide for in this Plan, or allowed by the Court, no interest, penalty or late charge is to be Allowed on any Claim subsequent to the Petition Date.

11.16. No Attorneys' Fees. No attorneys' fees will be paid with respect to any Claim except as specified herein or as allowed by a prior order of the Court.

11.17. Post-Confirmation Actions. After Confirmation, Debtor may, so long as it does not materially or adversely affect the interest of Creditors, remedy any defect or omission, or reconcile any inconsistencies in the Plan or in the Order of Confirmation, in such manner as may be necessary to carry out the purposes and effect of the Plan. Debtor may also, but shall not be obligated to, take any action or commit any act that they may deem to be necessary to facilitate the consummation, implementation, effectuation and execution of this Plan. Nothing contained in the Plan shall be construed so as to limit the rights of the Debtor to commence or prosecute any claim in any court of competent jurisdiction.

11.18. Severability. Should any provisions in the Plan be determined to be unenforceable, such determination shall in no way limit or affect the enforceability and operative effect of any other provisions of the Plan.

11.19. Setoff. Except as specifically provided in the Plan, no Creditor shall retain any contractual or statutory right to set off any asset in which the Debtor has an interest in satisfaction of that Creditor's prepetition Claim.

11.20. Notice of Default. In the event of any alleged default under the Plan, any Creditor or party-in-interest must give a written default notice to Debtor, with copies to counsel of record for Debtor, specifying the nature of the default. Upon receipt of the default notice, Debtor shall have ten (10) days to cure such default from the time of receipt of the default notice. If such default has not been cured within the applicable time period, the default may be brought to the attention of the Court or any other court of competent jurisdiction.

11.21. No Tax or Filing Fee. No governmental entity may tax any transfer of property pursuant to or in furtherance of the Plan, or charge any tax or fee for the recording of, any release, deed, transaction or other document executed pursuant to or in furtherance of the Plan.

11.22. Notices. All notices, requests, elections or demands in connection with the Plan shall be in writing and shall be deemed to have been given when received or, if mailed, five (5) days after the date of mailing provided such writing shall have been sent by registered or certified mail, postage prepaid, return receipt requested.

ARTICLE XII **RETENTION OF JURISDICTION**

Notwithstanding the entry of the Confirmation Order or the occurrence of the Effective Date, the Court shall retain exclusive jurisdiction over this Chapter 11 Case and any of the proceedings related to this Chapter 11 Case pursuant to section 1142 of the Code and 28 U.S.C. § 1334 to the fullest extent permitted by the Code and other applicable law, including, without limitation, such jurisdiction as is necessary to implement the Plan. Without intending to limit the generality of the foregoing, the Court shall have exclusive jurisdiction:

(a) To determine any and all objections to the allowance, extent, priority or nature of any Claims, the amount and proper classification of the Claim of any Holder and the determination of such objections as may be filed to any Claims.

(b) To determine any and all applications for compensation and reimbursement pursuant to section 330 of the Code.

(c) To determine any and all applications for the assumption or rejection of executory contracts and unexpired leases, and the allowance of any Claims resulting from rejection thereof.

(d) To determine any and all applications, adversary proceedings and contested matters that may be filed in this Court.

(e) To interpret, enter Final Orders relating to, and otherwise act upon or in regard to the terms and provisions of the Plan and to hear and determine all controversies, suits and disputes that arise in connection with the interpretation, implementation, effectuation, consummation or enforcement of this Plan

(f) To cause the correction of any defect, the curing of any omission, or the reconciliation of any inconsistency in this Plan or the Confirmation Order as may be necessary to carry out the purposes and intent of the Plan.

(g) Except as otherwise provided in the Plan, to make any determinations and to issue any Final Orders to enforce, interpret or effectuate the Plan.

(h) To determine all questions and disputes regarding title to Debtor's Assets, and determination of all Causes of Action, controversies, disputes, or conflicts, whether or not subject to action pending as of the Confirmation Date, between the Debtor and any other person, including but not limited to, any rights of the Debtor to recover assets pursuant to the provisions of the Code or applicable state or federal law and the rights, obligations, and liabilities of the respective parties under any asset purchase agreements relating to the sale of the Debtor's Assets.

(i) To exercise the jurisdiction granted pursuant to section 505(a) and (b) of the Code to determine any and all federal, state, Commonwealth, local and foreign tax liabilities of, and any and all refunds of such taxes paid by the Debtor.

(j) To enter a Final Order concluding and terminating this case; and

(k) To determine such other matters as may be provided for in the Confirmation Order.
